**SUNDAY 5/19/24 “More Than Pleasant!” Psalm 133**

**Thinking about it:**

We probably all now some people who have gone to church in the past, and, for one reason or another, do not attend anymore and have no plans to do so.

- What are some of the reasons/excuses they may give for not going to church anymore?
- What may be some of the ways that churches have deserved the criticism and cynicism?
- What may be some of the self-centered reasons people come to this view of the church?
- How can both the real shortcomings of the church and the self-centered heart work together to cause this?

**Read: Psalm 133**
